

Salesforce Certification Linking: How-To Guide

Why This Matters

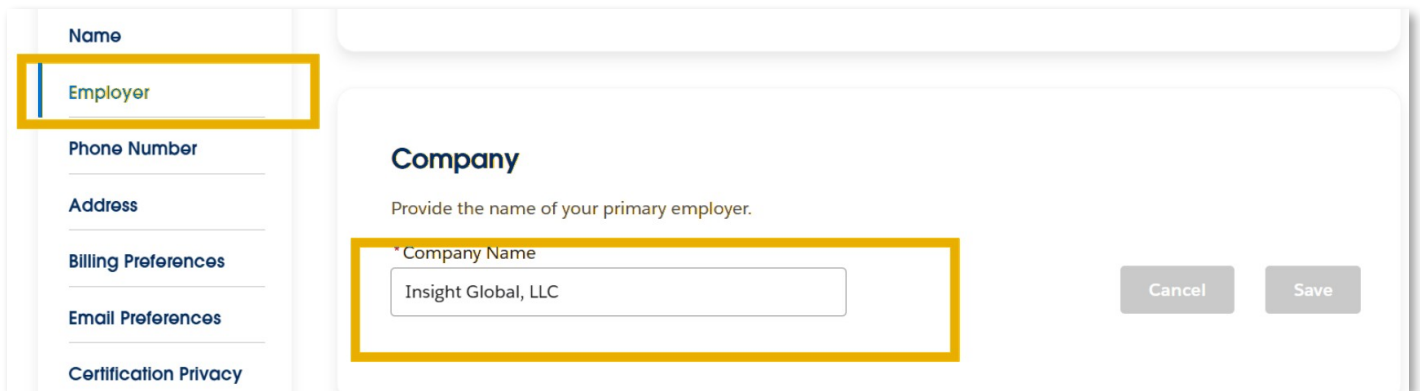

Linking your Salesforce certifications to Insight Global, LLC ensures they are credited to Insight Global's Salesforce partner record.

- **More linked certifications strengthen IG's partner standing** including tier progression, specializations, and access to Salesforce enablement and funding programs
- **More certifications strengthen IG's credibility with Salesforce teams, customers, and help us win**

Steps to Link

Pre-req: You must have at least one completed Salesforce certification and access to your Trailhead account.

1. **Sign in to Trailhead Academy** (trailhead.salesforce.com) and open your Trailhead Academy Account.
2. **In the Employer section, enter Insight Global, LLC in the Company Name field** exactly as shown, then Save.
